Stafford Skincare is a private cosmetic and dermatology service run by Dr Anne Ward, a Consultant Dermatologist since 1996. The Clinic is based in Lichfield, Staffordshire. The private dermatology service sees both adults and children with all hair, skin, nail and vulval problems.

2. Financial Information

The main source of income is from seeing private patients referred by their General Practitioner, or self-referred, to Stafford Skincare.

All financial details are held by Dr Anne Ward. Applications for this information should be directed to Dr Ward at Stafford Skincare. There may be circumstances where material cannot be released because it is confidential or commercial information or it may be prejudicial to the conduct of Stafford Skincare's affairs.

3. What are our priorities are and how we are doing

Stafford Skincare strives to maintain a high standard of patient care and clinical expertise. There is close integration with secondary care NHS dermatology services

within the West Midlands Region.

Stafford Skincare seeks to comply fully with the requirements of the Care Quality Commission, The National Institute for Health and Care Excellence, ISCAS and IDF complaints procedure, Clinical Governance, British Association of Dermatologists guidance, and other relevant quality standards.

You can review our latest Patient Experience Surveys on the website. All information published on the website is free of charge.

4. How we make decisions

Dr Anne Ward is ultimately responsible for decisions made regarding Stafford Skincare and its services. Decisions made often have input from local secondary care NHS dermatologists especially around decisions for shared working and referral protocols. Dr Anne Ward works closely with local Consultant Plastic Surgeons and attends a local Skin Cancer MDT (Multidisciplinary Team) for clinical governance. Clinical decisions made by Dr Anne Ward are done in keeping with her professional training.

The views of patients are welcomed, and Stafford Skincare is always pleased to receive feedback on its services regarding how services might be developed and improved.

5. Our policies and procedures

General policies and procedures in use within Stafford Skincare include, but are not restricted to data protection, records management, medicine management, infection control, complaints, equality and diversity, and health & safety. All policies and procedures are available for viewing, upon request to Stafford Skincare.

6. Lists and registers

The medical records of patients attending Stafford Skincare are held on a secure encrypted computer folder. Dr Anne Ward is registered with the Information Commissioner's Office (ICO).

7. Services
